Healthy things grow: Healthy and Missional? Acts 1:1-11
Pastor Brent Thompson—July 20, 2014

As a denomination, we pray that every Covenant church would be healthy and missional.

By healthy, we mean: Pursuing _____.

By missional, we mean: Pursuing _____ priorities in the _____.

Luke's record of the first century church reveals at least a couple points of confusion about their true mission and calling; aka, "Mission Muddle" (Acts 1:6, 10-11).

What are some examples of ways in which we have become confused today?

Jesus clears up that confusion in Acts 1:8:

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth. "

Healthy = _____

What is it that we need to surrender at 4Cs to become healthy (personal conveniences; unforgiveness; self-centered agendas; etc.)?

Missional = _____ & _____

Has 4Cs intentionally defined our Jerusalem, Judea, Samaria, and ends of the earth?

Where are we failing to be inclusive of people whom God loves?

What is the Holy Spirit saying specifically to me about becoming more healthy and missional?

How will I respond?
